From the Principal

An 'Event-Full' Week

Last Friday evening the College conducted its Graduation Mass and Ceremony for the Class of 2013. This was a very poignant occasion which provided each of our graduands and their families with the opportunity to reflect upon the journey they had undertaken while members of the CBC Fremantle community. With an emphasis clearly upon celebrating the cultivation of character and values, it was apparent that each of the young men leaving our school could anticipate an exciting future characterised by serving others.

As part of the ceremony, the College Captain, Alex Skinner, was joined by Michael Zoiti and Riley Tolman in

providing reflections on their time at CBC and these were certainly a feature of the evening. In a sign of great maturity these boys were able to look back on their experiences at school and discern those which were most powerful and pertinent to their formation as good young men.

Thank you also to Father Tony Maher for his inspiring homily at the mass and for his ongoing commitment to fostering the faith development of our students.

On Sunday evening, our College Awards Night was particularly well attended and provided the opportunity for more than 200 students to be publicly acknowledged for their achievements during this year. Congratulations to all of the boys who

received subject awards on the evening. Being the top performing student in a subject is a special honour and indicates outstanding ability and commitment. Some boys received multiple awards in this category and were appropriately recognised. These particular boys are now challenged to maintain this standard and to set the academic tone for the College in the future.

An even larger group of boys were awarded Certificates of Merit or Certificates of Excellence during the ceremony. These awards are available to all students regardless of innate ability and are truly reflective of the emphasis upon personal excellence promoted at CBC Fremantle. The criterion for the Certificate of Merit is a minimum of 90% positive indicators on each of the first three school reports issued during the

year. While this standard is very high it is achievable for each student. The Certificate of Excellence is available to any boy achieving 100% positive indicators for each report during the year. The broad cross-section of students receiving this award reinforces the place of clearly defined criteria and targets in the effective education of young men.

To conclude this hectic period on the school calendar, the College Visual Art Exhibition was opened in the presence of a large and appreciative audience on Tuesday evening this week. Many students received awards on the evening and it was pleasing to see the quality and diversity of their art pieces. Year 10 students, James Crevald and Jack Johnson, looked very composed as they opened the exhibition and conducted the presentation ceremony in a most

dignified manner. Congratulations to Mr Shane Mancuso, Ms Zoe Francis and Ms Stephanie Hantzis for their encouragement of our young artists and for their hard work in presenting the exhibition.

The Rite Journey

I'm sure that all families have been able to follow the progress of our innovative Year 9 programme, The Rite Journey, through the regular updates which have been provided in this newsletter throughout the year. Next week marks one of the major activities associated with this programme when all Year 9 boys will spend some time camping in Bindoon. We wish all of the students and staff involved a safe and enjoyable time away.
